Commission Plans Study of Poulsen Squaw Proposal

Tuesday Hearing Fails To Find Solution To Land Question

The 14-point "take it or leave it" package proposition presented by Wayne Poulsen, principal land owner at Squaw Valley is not entirely acceptable but will be given further consideration by the California Olympic Commission if and when the legislature acts upon SB 1774, now before the assembly.

This was indicated at a meeting of the commission in San Francisco Tuesday.

The land in question is required for staging the 1960 winter Olympics. The inability of all members of the commission to be present at the meeting resulted in a delay in the Poulsen negotiations and it is now almost certain that further hearings will not be held until the assembly acts on the bill to provide additional fund and the right of eminent domain to the state.

Location of a parking lot and a suitable runoff for the ski jump provide the basis for non-agreement. A study is currently being site for the sewer disposal plant made, to determine whether the offered by Poulsen will be suitable.

Charle R. Blyth, chairman of the commission unofficially announced that: "I would say that the proposals of the Poulsens are unacceptable,"

Mrs. Adelaide Johnson represented the Squaw Valley Property Owners Association and said her group is solidly behind the Olympic Games, but urged the commission to restrict its eminent domain provisions to include only land actually required.

First bids on construction work in the valley would be due June 13 providing the bill now in the legislature is approved.

Fox Nominated To Head Sportsmen

Frank Fox, division of highways superintendent in this district was nominated as president of the Truckee Outdoor Sportsmen at the meeting held last Friday. Nominations will remain open until the election slated for the June 14th meeting. Jack Waggoner is the current president of the club.

Other officers nominated for the coming year included Charles V. Osburn and William Fordham, as vice president and Mrs. Edith Welch, secretary. Directors nominated were Carl Painter, Fred Olson, Jack Thomas, Gene Welch and Heslin Cardinal.

MRS. PEDLEY SPEAKS BEFORE RENO GROUP

Mrs. D. V. Todd, general federation safety chairman from Washington, D. C., and Mrs. Fred Pedley of Truckee, chairman of the California Federated Women's Club safety commitete, will speak at this week's meetings of the state convention of the Nevada Federation to be held in the Mapes Hotel.

Mrs. Pedley will also be a guest at the 60th anniversary celebration of the Shakespeake Club to be held next week at Placeville.

Luncheon and a program will be featured during the observance,

Official Visitor Attends Meet Of Local Lodge

Naomi Rebekah Lodge met May 8 with Mrs. Rex Reid presiding.

Mrs. Janet Wartell, district deputy president, made her official visit and was introduced by District Deputy Marshall Margaret Davlin. Mrs. Lenora Vind was appointed fellowship chairman and Mrs. Anita Allison as press rhairman.

Plans were made to redecorate the IOOF hall as soon as possible.

Refreshments were served by Mrs. Virginia Robarts and Mrs. Dorothy Slack.

Girl Scouts Accepted To Attend Summer Camp

Members of Donner Troop of Girl Scouts who have been accepted for a two weeks session at Camp Wasin, Meeks Bay, this summer are Marcia Leamon, Dorette Rose, Judy Giovannoni, Myrna Hall and Linda Giovannoni.

During the past few weeks, the Scouts have been working on several activities, including badge requirements for tenderfoot rank, second class and various proficiency badges.

DRUNK DRIVER GETS $283 FINE AT LAKE

KINGS BEACH — William Nelson Burnett, Jr., master sergeant at Mather Air Force Base, pleaded guilty Tuesday in the court of Judge Harry Charrison to a drunk driving and driving on the wrong side of the road charge at Tahoe City. He was fined $283 and his driver's license was suspended for 30 days .Highway Patrolman T. F. Sheehan was the arresting officer.

Mile High Regatta At Tahoe Will Be Held On July 20-21

TAHOE CITY—The weekend of July 20 and 21 has been set by the Chamber of Commerce and the Boat Race Committee for the Mile High Gold Cup races which have become an annual event here at the lake. R. Stanley Dollar, whose practical knowledge of lake racing is unrivaled, will be chairman of the events which at this early date hold the largest number of entrants of any year.

The boat owners themselves have expressed pleasure that the races will be held again at Tahoe City. The course last year at Chambers Lodge was fine and the weather perfect but a portion of the race was run over water so deep that salvage of any accidents there would have been almost impossible. The Tahoe City course is at all times over rather shallow water. The only hazards of the earlier course will be removed. These are the pilings of the old breakwater which are directly out from the Tahoe City Boat Company.

Edgar Kaiser has invited the owners of crafts in the unlimited class and their wives to be his guests in his home, Fleur du Lac, at Tahoe Pines for the duration of the race.

DONNER DANCERS TO HOLD FESTIVAL IN TRUCKEE IN JULY

The Donner Dancers met last Friday evening for their May potluck supper and dance. Guests included Walt and Eva Lynn Pope, John and Sophie Levra, and Dave and Marguerite Ashton from the Tahoe Twirlers at Kings Beach and Dick and Alice Stonesifer, and Goodi Mori of Truckee. The Levras were guest callers.

During the business session, additional plans were made for the July jamboree to be produced by the Tahoe Twirlers and the Donner Dancers. Appreciation was voiced for the promised cooperation of the Truckee Chamber of Commerce.

On Sunday, a square from the local group traveled to Greenville for the festival put on by the Lumber Jacks and Jills. Those who made the trip were Lloyd and Virginia Everett, Wilber and Ava Glenn, Joe and Shirley Straub, and Jack and Adele de Ryk.

The Levras represented the Tahoe Twirlers at the festival. Both the Levras and Everett were guest callers.

STATE EMPLOYES HOLD LADIES NIGHT

Some 50 state employes, wives and guests met last Saturday night at Smart's Restaurant for the annual Donner Chapter, California State Employes Association, ladies' night.

Special guests for the evening were Mr. and Mrs. Ray Rusk, Mr. and Mrs. Frank Estep, and Mr. and Mrs. William Burns. Rusk is secretary-treasurer of the C.S.E.A. Estep is the regional director for District XVI of the organization. Burns is an employe of the newly organized state atomic research facility near Livermore.

During the evening dancing was enjoyed and the guests were served a smorgasbord supper.

SOLONS RETURN FOR GAMES IN CAPITAL

The Sacramento Solons returned to Edmonds Field Tuesday for a two weeks home stay, with the Portland Beavers making their first appearance in Sacramento this season.

The Beavers will remain for six nights and one afternoon double header on Sunday. Until further notice, all night games will be at 8 p.m.—except Friday at 8:15 and Sunday double headers will start at 1:30 p.m.

On Tuesday the Hollywood Stars will come to Sacramento for a seven-game series ending May 26 with a double header.

The Solons has announced a new ladies' night policy for 1957. Wednesday will be ladies' night, with a charge of 50 cents general admission and 90 cents for reserved seats.

OBSERVE DATE

Mr. and Mrs. Hugh Brown, well known Grass Valley and Truckee couple were presented with a bouquet of roses and a gift for their home on May 1, their 32d wedding anniversary.

Airport Plan Gets Board Approval; Will Call Hearing

Placer Board Is Expected To Give Consideration To Project

The Nevada County Board of Supervisors this week went on record approving the formation of a Truckee-North Tahoe Airport District and will call a public hearing on the proposal for June 14th, C. Edmunds, chairman of the district planning committee, announced.

Edmunds, who attended the session, said the Nevada board will contact the Placer supervisors with an aim to have that county hold a similar meeting and make preparations for an election.

William Mason, representing the California Eastern Airlines, Inc., who was here last week to confer with Edmunds, said his concern is prepared to meet all finanical obligations in constructing and maintaining the field as soon as the district is formed. Since there is considerable work to be done before the field can be used, he is anxious to have the legal details pressed for an early conclusion.

Walter Mandeville is steering the project for the Placer County side of the district and the board there is apparently cooperating in bringing the matter to a conclusion.

Improved Police Service Provided

Sheriff Wayne Brown and Deputy Frank Gallino were here this week to inspect and explain the new radio and telephone systems which provide almost instantaneous service in emergencies.

Short-wave radios have been installed in the cars of Deputies Roy Waters and Emery Lander and these are connected with the same bands as those in the vehicles of the California Highway Patrol and with direct communication with the CHP office here at all times.

All the radios are tuned to the Sacramento headquarters of the CHP, the sheriff's office at Nevada City and with the Reno Police Department.

As explained by Brown, a telephone call to the sheriff's office here, currently located at the CHP office, will result in the message being dispatched to the officer wherever he may be located and the officer, depending upon his exact location at the time will be at the scene of the call within a few minutes.

This 24-hour daily service is new in this area and Brown says should prove effective.

The officer said he hopes soon to be able to contact not only the immediate surrounding areas by radio but have a hookup with even more distant cities and counties.

PTA WILL PROVIDE RIDES FOR VOTERS

Mrs. Wilber Glenn presided at the Monday evening meeting of Truckee Elementary P.T.A. when it was announced that those wishing transportation to the voting voting polls on May 17 may call LU 7-3003.

Mothers of sixth grade pupils will hold a cookie sale on the same date. The cookies are to be taken to the school building in the morning, with a dozen of the home-cooked confections to a bag, each bag to be labeled as to the type, Mrs. Edward Frates, publicity chairman said.

A choir, composed of fifth and sixth grade pupils, trained by Mrs. Ruth Roberson, sang several pleasing selections during Monday's meeting which will be the last until fall.

Two With Stolen Car Returned to Bay Area

Deputy Sheriff Emery Lander Friday turned over to the police department of Berkeley, Don Gillian and Paul Williamson, both AWOL from the U. S. Marine Corp base at San Diego.

The young men were earlier apprehended by Highway Patrol Officers Martin Sturcke and Bud McCallen in a stolen car at Kingvale.

May Birthdate—

Frank A. Giovannoni observed his birthdate on May 12.

SUNBEAMS

By WALTER M. BARRETT

Next Monday the drive for funds to maintain the Red Cross activities in this community will start. The need for this service in our community is without question, the only question being to what extent the service shall be offered. No one is asked to give more than they wish, but it is the desire of the committee that the drive be completed this month. If everyone does his share when approached by a member of the volunteer committee the task will be minumized and the drive ended succesfully. This provides another opportunity for this community to show its generous attitude to a worthy and necessary cause.

Only through a big turnout of voters in tomorrow's election can the wishes of the majority be determined regarding the bond issue to provide needed facilities for the schools of the district. This district exemplified its ability to respond to an issue at an election recently to decide our wishes in becoming a part of a junior college district. The vote tomorrow should and can be even greater. Whether you are for or against the bond issue, get to the polls and make your choice known.

WORK ON NEW HOME TRACT SCHEDULED TO START MONDAY

Work on the Donner Trail Subdivision begins next Monday and Mrs. E. Popovich, agent for the tract has established an office at the rear of the quarantine station.

Mrs. Popovich, who is enthusiastic about the future of the Truckee area, says that all the roads in the tract will be built to exceed county standards and that there will be a planned recreational area. Street lights and fire hydrants will be installed throughout the subdivision.

The property is located north of Highway 40, opposite the high school. Mrs. Popovich wants anyone interested to call at the office which has been built on the area. Buyers may either build their own homes or several plans may be seen at the office. All homes, she said, will have two or more bedrooms and will be completely electrically equipped. The agent said FHA or direct GI loans are available and work on new homes can be started immediately .

THREE ARE INJURED IN AUTO COLLISION

Three people were taken to the Tahoe Forest Hospital for treatment for minor injuries at 1:15 a. m, Friday following a collision between cars driven by Charles Swaiko, San Francisco and Kury Karlijh Keener, Sacramento. The accident occurred four miles east of Truckee.

The two drivers and Russ McGrath of San Francisco were given treatment and released to return home. Keener was cited for speeding and being on the wrong side of the highway by the California Highway Patrol.

HIGH SCHOOL TRACK BOYS IN STATE MEET

For the first time in the history of the school, two members of the Tahoe-Truckee High School track team have qualified to enter the Nevada State Track Meet to be held at Reno on May 18 at the Reno High Schools Foster Field by qualifying in the western conference meet held last Saturday in Reno.

Seniors Tom Sheehan and Douglas Cooke both picked up the school's first track medals as Sheehan got the discus out 124 feet 3½ inches to make third place in that event only inches short of Garcia of Sparks who won the event.

This Saturday will be the final meet of the season as the best in the state congregate at Reno for the state meet with three men in each event qualifying to represent the western, eastern and southern zones.

Bill Would Place Lake Shortcut In Highway System

Bill To Provide State Aid On Local Road Gets Official O.K.

The Truckee Chamber of Commerce and other local organizations and individuals are anxiously awaiting the action of the state senate on AB 3745, by Francis Lindsay, Loomis, which would take into the state highway system the Brockway cutoff between Truckee and Kings Beach.

The bill has passed the assembly unanimously and has been sent to the senate for action by that group.

Senator Harold T. Johnson, Roseville, is being urged to support passage of the measure in the upper house.

The importance of the state taking the road over for maintenance is particularly important at this time since it would provide another adequate detour for east-west traffic now being delayed by construction of U. S. Highway 40 in the Truckee River Canyon.

Currently the shortcut lies principally in Placer County, with only a small strip in Nevada County and maintenance is creating a financial hardship for the counties involved. It is approximately 12 miles in length and with little work could be converted into a permanent year-round highway, providing a connecting highway between U. S. 40 and U. S. 50 via scenic Lake Tahoe.

Judge Snell Will Leave Local Bench

Judge James Snell has tendered his resignation as judge of the Nevada County Superior Court, effective May 31. Governor Goodwin J. Knight will name a successor.

Judge Snell

Judge Snell has sat on the superior court bench for the past 11 years. A native of Gold Hill, Nev. he went to Nevada City with his parents when a child and graduated from the high school there and worked in the mines nights to study law.

He became one of the most prominent lawyers in northern California, a forceful, aggressive man who climaxed his career with the judgeship.

Whle no successor has been named, two well known attorneys are known to be seeking the appointment, District Attorney Vernon Stoll and John Larue.

VICTIM OF ELECTRIC SHOCK EXPIRES HERE

A gallant but hopeless fight by George Fawcett, 58, Bakersfield, ended Sunday when he expired to third degree burns over 85 percent of his body as a result of a contact with a 125,000-volt electric line on May 6.

Dr. L. D. Nelson, who treated the victim, said the chances for survival in such cases were virtually nonexistant and the fact that Fawcett lived for five days was a near miracle.

Fawcett was employed with the forest service near Cisco when he came in contact with the line.

Mrs. Fawcett and other members of his family were here when he expired. The body was taken to his home for burial.

Department Called

A strong draught of wind caused smoke from the fire place at the A. B. Cook home to circle under the eaves of the building on River-er Street, Wednesday afternoon, necessitating calling the fire department to determine the origin. No damage resulted, according to Fire Chief N. F. Dolley.

HOT ROD CLUB WILL NAME NEW OFFICERS

By-laws will be drawn up and an election of officers held Monday evening by members of the Hot Rod Club, who will meet in the high school.

Those interested in joining the group may contact Mrs. Fred Pedley.

Red Cross Drive Is Slated To Start In This Area Monday

The annual Red Cross drive will open here on May 20 and run through the end of the month, George Kaspian, local fund drive chairman, announced.

A huge thermometer is ready for mounting on the Masonic Building and will register the daily progress of the campaign. The work of constructing the thermometer was done by Mrs. Roy Saarni.

A group of workers will solicit home, issuing cards and buttons to those contributing to the fund. The following crews have been designated to conduct the drive:

Gateway: Mrs. Cliff Ellis and Mrs. Ben King.

River street, east: Mrs. Glenn Miller.

Hill back of town: Mrs. Jack Neugebauer.

Streets back of Main street: Robert Seibold.

School and Church streets: Mrs. Karl Kielhofer.

Area on hill above Memorial Hall: Mrs. Robert Bick.

Meadow Park: Mrs. Lauren Russell and Russell York.

Floriston: Mrs. Kay Ayala.

Donner Lake: Mrs. Richard Robarts, Mrs. Rex Reid and Mrs. G. E. Lewis.

Forest service: Mrs. Ray Saarni.

South of river: Mrs. Connie Diaz.

Main street: Mrs. Martin Sturcke.

East of Main street: Mrs. Shirley Straub.

ASSESSOR'S DEPUTY IS BITTEN BY DOG

Another good example of why dogs should be kept off the streets was given here yesterday morning when Leonard Oliphant, a deputy county assessor, was severely bitten on the lower left leg when he stepped from his car on the main street. The deep wounds necessitated his receiving medical attention.

A number of people have reported being attacked by these vicious animals and Judge F. W. Wilson said he has been advised that there is no legal recourse by the victims except through civil action against the owner of the dog. Whether the action by the state department of public health in classifying this as a rabies epidemic area will change this, is a matter for speculation.

NORTH TAHOE CLUB WILL SPONSOR TEA

KINGS BEACH — The Women's Club of North Tahoe will hold a silver tea at the home of Mrs. Elizabeth Streeper at Woodvista Lodge on Sunday May 19 between the hours of 3 and 5 p. m. Mrs. Wally Skaggs is president of the organization and plans are being made for a well-filled afternoon.

RED WADDELL WILL HEAD LAKE LIONS

KINGS BEACH — Red Wadell was elected president of the Lions Club which met at Crystal Bay Club Tuesday evening. He succeeds Dave Ashton.

Jackson Brandt and Edward Francis were named first and second vice presidents for the coming year and other officers are W. Morrell, secretary; Elmer Morris, treasurer; Clarence Powell, tail twister; Jerry Culbertson, lion tamer; Wally Skaggs, Ernie Crawford and Cliff Lightner, directors.

O. E. S. WILL HONOR DEPARTED MEMBERS

A memorial service for members who have passed on during the past year, will be held Tuesday, May 21 at 8 o'clock in the Masonic Hall by the Order of the Eastern Star during the second stated meeting for May. All members are invited to attend.

Worthy Matron and Patron, Elmay and Wayne Philippi will preside. Goodi Mori will be chairman of the refreshment committee.

A party for all officers will be held Saturday evening, May 25.

Visiting Son—

Mr. and Mrs. John Affeldt of Lansing, Mich., are visiting here with their son and daughter-in-law, Dr. and Mrs. Robert Affeldt. They plan to visit other children in Los Angeles, Fresno and Oregon, before returning home.

Mrs. P. H. Greenhouse is recuperating following an operation last Friday.

Interest Centers On Election For School On Friday

Corbin Outlines Need For Increased Facilities In District

Voters in the Tahoe Truckee Unified School District will go to the polls tomorrow between the hours of 7 a.m. and 7 p. m. to decide several issues on the ballots. They are:

1. Shall the district be bonded for $1,700,000 to provide enlarged and improved facilities in the five schools embraced by the district.

2. Elect five members of the Placer County Junior College District board of trustees. Two local men, Harold Welch of Truckee and Fred Schultz of Kings Beach are opposing candidates to represent this area.

3. Elect two members of the governing board of the Tahoe Truckee School District. Reginald Smart of Truckee and Herbert Obexer of Homewood, incumbents, are unopposed.

4. Elect a member to the Nevada County Board of Education.

Polls will be located at Truckee, Kings Beach, Tahoe City, Soda Springs and Floriston.

Corbin Explains

In explaining the need for the bond issue and urging its support, John Corbin, district superintendent, has prepared the following summary, and at the same time stressing the point that all bonds covered in the issue will not be sold immediately, but held in reserve and sold as money is found necessary to keep pace with the growth of the region and need for additional facilities.

Points brought out by Corbin were:

If I vote No, the results will be as follow:

Overcrowded classrooms that will become more so as the days pass.

Double sessions will have to be

Trout Fishing To Start On Saturday

Good fishing in this district is predicted for the opening of the 1957 trout fishing season Saturday.

While it will be impossible for the opening days to reach the back country streams and lakes, prospects are better than fair on the closer streams with Boca promising good results.

A report from the department of fish and game shows that the lakes will be the best producers in Nevada County.

Lower elevation streams in the eastern Nevada and Placer areas, such as the Truckee, Little Truckee, Sagehen, Prosser, Alder, Donner, Martis, Juniper and Squaw, should produce fair to good bait fishing.

Fishermen are reminded that the Truckee from Hirschdale to the Nevada state line is closed to all but artificial lure fishing. That section from Boca to Truckee, closed last season, is again open to bait fishing.

KISHBAUGHS FETED AT FAREWELL PARTY

Saturday evening, May 11, a farewell party was given by Mrs. Muriel Frey at her home on High Street for Mr. and Mrs. Lynn Kishbaugh.

Those present were Mr. and Mrs. Kishbaugh and daughter, Jan, Mrs. Ruth Roberson, Mr. and Mrs. Geo. Tiffee, Mr. and Mrs. Robert Roth, Mr. and Mrs. Ed Trask, Mr. and Mrs. Cliff Camp, Mr .and Mrs. Larry Croxen, Mr. and Mrs. Preston Patnoude and daughter; Mrs. Dee Osborn, Mrs. Jean Menetta, Mr. and Mrs. Ed Tissue, John Stevers, Mrs. Frey and daughters, Dorothea and Varien.

SING FOR CLUB

The high school girl's chorus entertained with a number of songs at the meeting of the Lions Club last night. John Corbin was the program chairman. Taking part in the program were Nelda Stone, Caroline Henry, Joyce Slade, Joanne Wray, Jacquie Abbott, Judy Hastain and Irene Englehart.

Visitors included Fred Calkins, J. H. Noon, Fred Schultz and H. T. Langille.

Leaving On Trip

Mr. and Mrs. Charles Heller will leave Saturday on a combined business and pleasure trip. Mrs. Heller will remain in San Francisco for a week to attend the California Grand Temple session of Pythian Sisters. Mrs. Ralph Edwards will accompany the Hellers as far as Sacramento and will continue on to San Francisco for a few days.

MUSIC FESTIVAL

The music department of the high school will present "May Melodies", the second annual spring concert at the high school Friday evening, May 17 at 8 p. m. The public is invited. The concert will feature the senior band, the senior chorus, the junior band and chorus and the majorettes. There will be no admission charge.

IN THE BOARD OF SUPERVISORS OF THE COUNTY OF NEVADA, STATE OF CALIFORNIA

Thursday, April 11, 1957.

Present: John T. Trauner, Clerk.

Adjourned meeting.

Wm. J. Cassettari, Deputy Dist. Atty.

The meeting was called to order at 10:08 A.M. by the Chairman of the Board with the following members noted as being present: Mosco S. Smart, W. W. Bishop, J. C. Coughlan, Guy N. Robinson, and Henry G. Loehr, Chairman.

The minutes of the meeting of April 1, 1957, were read to the Board by the Clerk, and after minor corrections thereto, and upon a motion made by Supervisor Smart, seconded by Supervisor Robinson, and passed unanimously, the minutes were approved as corrected.

This being the time heretofore set for a public hearing on a petition to include additional lands into the Nevada County Soil Conservation District, arguments were presented to the Board for the Addition and the Clerk was directed to read the names of those persons desiring to be excluded from the proposed Addition. A motion was made by Supervisor Coughlan, seconded by Supervisor Robinson, that all exclusions that are a matter of record in the County Clerk's office be granted. The motion passed unanimously. After a lengthy discussion by the Board with audience participation, a motion was made by Supervisor Robinson, seconded by Supervisor Bishop to grant the petition for the inclusion of the 5th Sierra Addition. Upon a roll call ballot, the following vote was recorded:

Supervisor First District, Aye.
Supervisor Second District, Aye.
Supervisor Third District, No.
Supervisor Fourth District, Aye.
Supervisor Fifth District, Aye.

Mr. Steven Ryland appeared before the Board with a Petition of the residents in the Union Hill District. The residents requested the Road Department to repair and resurface their roads. After a discussion with the Board, the Petition was referred to the Road Commissioner.

Mr. Harold Cox appeared before the Board and was introduced to the Board by the Clerk as the new area Sanitarian for the County Health Department.

A motion was made by Supervisor Bishop, seconded by Supervisor Smart, directing the Clerk to telegraph each of the certified persons eligible for appointment as Welfare Director of Nevada County. The Clerk was also instructed to request those interested persons to appear before the Board for an interview at 10:00 A.M. on May 1, 1957. The motion passed unanimously.

Supervisor Smart presented the Board of Supervisros with an American flag on behalf of the staff of the County Clerk and Auditor's office. The Chairman of the Board accepted the national flag. A motion was made by Supervisor Smart, seconded by Supervisor Robinson, and passed unanimously, directing the Clerk to issue a Minute Order to the custodian of the Courthouse directing the said custodian to fly the American flag and the flag of the State of California on the flag pole in accordance with accepted practice.

At this time the Board adjourned for lunch to reconvene at 2:00 P.M.

Afternoon Session

The meeting was called to order by the Chairman of the Board at 2:00 P.M. and all Supervisors were noted as present.

At the request of Mr. Charles Kitts, County Assessor, and Mr. A. Parsons, Planning Consultant, a motion was made by Supervisor Robinson, seconded by Supervisor Bishop, to adopt a Resolution opposing Senate Bill No. 2521. Upon a roll call ballot, the vote was unanimous.

The Board entered into a discussion relative to a general salary increase for all of the County employees other than the elected officials. Various departmental officials were in attendance, and after considerable discussion with the County Auditor and the Deputy District Attorney, a motion was made by Supervisor Smart, seconded by Supervisor Robinson, directing the Clerk to notify all departmental heads that they should predicate their 1957-58 budget on an overall increase of 10% for departmental employees. Upon a roll call ballot, the vote was unanimous.

Mr. Strum, representative of the P.G.&E., appeared before the Board relative to the passing of an electrical ordinance in the County of Nevada. After a short discussion a motion was made by Supervisor Bishop, seconded by Supervisor Coughlan, adopting Ordinance No. 213. Upon a roll call ballot, the following vote was recorded:

Supervisor First District, No.
Supervisor Second District, Aye.
Supervisor Third District, Aye.
Supervisor Fourth District, Aye.
Supervisor Fifth District, No.

The Ordinance, having received a majority of the votes cast, was adopted.

The County Auditor's report for the period of February 28th to April 1, 1957 was received by the Board, and upon a motion made by Supervisor Robinson, seconded by Supervisor Bishop, and passed unanimously, the report was approved and ordered filed.

After a discussion with the County Auditor, and upon a ruling by the District Attorney that all employees should be paid from a salary fund, a motion was made by Supervisor Bishop, seconded by Supervisor Robinson, and passed unanimously, that effective on July 1, 1957, all employees of the County of Nevada, with the exception of Road Department personnel, are to be paid from the salary fund.

Mrs. Melva Hillier, representing the Grass Valley Chamber of Commerce, and Mr. Gordon Laing, Chairman of the County Board of Trade appeared before the Board requesting authority to send their agent to Los Angeles to investigate the costs of an exhibit at the Pomona Fair. A motion was made by Supervisor Bishop, seconded by Supervisor Smart, authorizing the Board of Trade to send Mr. Leonard Lageson to Los Angeles, and the expenses incurred therein shall be deemed a proper County charge. Upon a roll call ballot, the following vote was recorded:

Supervisor First District, Aye.
Supervisor Second District, Aye.
Supervisor Third District, No.
Supervisor Fourth District, Aye.
Supervisor Fifth District, Aye.

Upon a motion made by Supervisor Robinson, seconded by Supervisor Coughlan, and passed unanimously, the Road Commissioner's report was approved, accepted, and ordered filed.

Upon a motion made by Supervisor Coughlan, seconded by Supervisor Smart, the Clerk was directed to write to interested persons to obtain proposals for the printing of the County Budget for the fiscal year 1957-58 and for the annual County Audit for the fiscal year 1956-57. The motion passed unanimously.

There being no further business to come before the Board, a motion was made, duly seconded, and passed unanimously, that the Board adjourn sine die.

FOUR HURT AS CAR WRECKED AT TAHOE

Four members of the Laurence V. Anderson family of Kings Beach suffered injuries Sunday May 5th at Lake Forest intersection when Anderson lost control of the car while passing other vehicles.

As he was passing the string of cars, he noted the lead vehicle signalling for a turn and in an effort ot avoid a collision left the highway and overturned. He was cited for driving too fast for road conditions.

Injured were taken to the Tahoe Forest Hospital by the Tahoe City ambulance.

Lions To Roar

The Lake Tahoe Lions Club will be host to the Reno Arch Club on Tuesday night, May 21, when that club with their ladies will make a special visit. It is thought that the Truckee club will also take part. This, as already mentioned, will be ladies' night. There is a movement on foot for this club to sponsor a new club at Bridgeport at the special request of the international president. Many important issues were discussed at the last meeting, such as the all-important Truckee shortcut, the airfield and traffic routing. Walt Mandeville and Fred Schultz attended a meeting with the Placer County Board of Supervisors, with satisfactory results.

Good News

Saw Joe King back in Kings Beach the other day. He was telling me that be brought Lillian, his wife, back to the lake. As you know, she had been in the hospital for quite some time. Joe says she is coming along, slow but sure. Greetings to you, Lillian.

Old-Timers Back

Well, Wendy and Ginger Schumacher are back and are already getting in shape to open the Tahoe Food Center Market. They left late last fall for Idaho, where they spent the winter. Also I see George Mortensen of George's Market with his wife, Martha, who runs her novelty and curio shop. They plan to open both up pretty soon. George and Martha spent the winter in Pasadena and other southern California spots. Nice to have them all back.

Lotta Sport

The V.F.W. are on the job again. You can't help admiring these wonderful people for their interest in the community. Now as Max Springer says, there will be something of interest to the youngsters of the area. There will be a V.F.W. fish derby, to be held from May 10 to July 1, the ages to be up to 14 years. They can fish from the the shore or pier only. These youngsters may sign up at the Tahoe Sportsman at Kings Beach, or Harry's Sporting Goods Store, Tahoe City. Naturally there will be prizes for the largest (by weight that is). Runner-up prizes too, winners to be announced on July 6. Come along you Tom Sawyers and win a big prize.

Weather

Sunday morning and kind of dull. The only bit of sunshine is all of these wonderful mothers celebrating their day. Let's make every day in the year a happy one for mother, free of heartaches and pain. We, in our house, had a lot of sunshine which was a call from granddaughter, Joellyn, who had just returned to Salt Lake from Chicago where she attended the convention of nurses.

Trailer Park

W. S. Ham and B. S. Barney have opened the new trailer court on the Gun Club Road in Tahoe Vista. It will be known as the Tahoe Vista Trailer Park and quite a spacious park, too. It is about a quarter of a mile off the highway.

They Came Back

Well, well, the Hank Moseleys have arrived for the summer and have already opened up their home in Tahoe Vista, which in the season is also a novelty store. Hank is a house painter. Also the Dickows have been here for a short stay disposing of property.

Wanted—Male or Female

On Saturday at 9 a.m. the Kings Beach Community Church is having a good-old fashioned work day to get the outdoor chapel in shape. Rev. Langguth says we need painters, raker, sandwich makers, coffee brewers. The work won't be too hard, more like a big picnic. Shall we see you?

Another Motel

Things are sure moving on the North Side of the lake. I hear that Frank and Mrs. Tarzak from Los Angeles are going to build a 21-unit motel in Tahoe Vista just east of Larry Ludlow's Lodge on Highway 28. Frank is head of the shipping department of the North American in Los Angeles. They will stay at Ludlow's Lodge for the time being.

Visiting

Bernice Hackensmith, decorator for the Reno Hondo potteries, is a visitor with the L. P. Waters of Kings Beach and will be here for about a week.

Truckeeites

Mother's Day brought visitors to Crystal Bay on Sunday last from all over, among which were Elden and Mrs. Tonini, the George Kaspians of Truckee and the Bud Millers from Floriston.

Brochures

Lots of credit is coming to many of our community workers two of whom are Fred Schultz, president of the Lake Tahoe Chamber of Commerce who did some splendid work in securing an allotment of $7500 toward the publishing and distribution of brochures, etc., for advertising and showing the beauty of our beautiful lake, and to Walter Mandeville for his part in bringing the matter of the airport to the vicinity of the lake. Schultz accompanied Walter to the meeting of the board of supervisors of Placer County with some success. This seems assured, and is a great step toward at least getting a decent road over the Truckee shortcut. If that is all we get out of it that will be something. Huh?

What A Place

Just had a letter from John Stetson, who at the moment is staying with his cousin, Fred Schultz, at the Siesta Pines in Kings Beach and a more enthusiastic letter about Fred and this community I have never seen, and lots of compliments for yours truly, which is appreciated no end. John just loves the lake and says who wouldn't, even they had only been here for a short stay. We are glad also to know that Fred's father is out of the hospital and doing fine, but a little weak.

TnT TIDINGS

By JUDE' COMMAGERE

Senior Day

Friday, May 10, all the seniors boarded a "streamliner," the coach, headed for Carson Hot Springs.

The attire worn was, bermudas; and other smaller articles were: bongo drums, straw hats, long socks, swim suits, hungry appetites, and walking and dancing shoes. The seniors arrived around 11 to be greeted with an inviting pool.

After many dives, and duckings, the group went to the dining room. When every appetite was fully satisfied, the juke box and miniature pool table held their attentions until someone said "let's go to Virginia City!" So to Virginia City they went, taking in all the strange sights, reading all the literature, and looking for unusual souvenirs.

Upon their return, the pool was visited again until 6, then they retired to the dining room to devour a delicious T-bone steak, salad, baked potato and watermelon.

On went the dancing shoes, and for some, the swim fins again, or a dart for the "lumky" cut stick.

All aboard, all intact, and again off to their homes.

Their senior day didn't seem to be ending until they saw that familiar landmark which meant home. Then they realized that this would be the last get-together.

Senior day was a success and although the sun seemed to be hiding, there was enough "sunshine" with our two chaperones, Miss Barbara Kemp and Frank Ratliff, two of the greatest teachers and friends TnT ever employed.

All the seniors would like to extend thier thanks to Miss Kemp and Mr. Ratliff for being such fun and to our parents for saying, "yes, you can go," and to Erv Waters our bus driver, who never said NO but, "Let's Go!

Tahoe Items

Mr. and Mrs. Norman S. Noll left Palm Springs to return to Carnelian Bay, writing that they have enjoyed keeping up with the local news from the Sierra Sun columns and are looking forward to the months to be spent at the lake.

Mrs. M. F. Pike sent word from Tuscon that they are returning to Brockway for the season.

William Poulter whose winter address is West Sacramento has an address change to Tahoma.

Tahoe-Truckee School District News

Tahoe Lake School

Kindergarten and First Grade: Our kindergarten and first grade room welcomed four new students this week, Eric Larsen and Tad Hall in the first grade and Shiela Jansik and Mark Victor in kindergarten.

Star vocabulray test papers up on the excellent board this week were done by Erick Henderson, Breezie Cross, Dianne Mc Bride, Ruth Ann Hall, Tad Hall, Janet Jorgensen and George Speeter.

Star writing papers were done by Embree Cross, Tabor Griswold, Ruth Ann Dunn, Dianne McBride, George Speeter, Anna Marie Conners, Ricky Riggs and Rod Farley.

First and Second Grades: In the first grade this week the following people made stars on neatness and accuracy in spelling: Tommy Carnell, Mike Dempsey, Jimmy Caulkett, Anna Marie Conners, Janet Jorgensen, Barbara Nielsen, Connie Day, Tabor Griswold, Mike Burmer and Rod Farley.

In the second grade the neatest and most accurate number of papers were turned in by Darlinda Stark and Lynn Harper. Star papers displayed in our room for original sentences and stories were made by Tommy Barr, Dick Pomin, Jimmy Sergi, George Selkirk, Darlinda Stark and Lynn Harper.

Third and Fourth Grades: The fourth grade grew this week from a class of six to a class of 14 with the new entrants being a high challenge to "Ours Truly" since these new students are remarkably just that —STUDENTS.

Winning science stories in the third grade were those of the following: Susie Wright, Alex Cushing, Julianne Bechdolt and Karen McBride. Illustrating the Pandora moth for the stories, Jeff Lodie came forward with the most outstanding drawing.

Fifth and Sixth Grades: The sixth graders had the adventure of the year—a glimpse into the crystal ball of their future education. Arranged in core groups they visited the Tahoe Truckee seventh grade lunched in the large cafeteria and returned to the job of completing a successful term with many mixed emotions.

Leading grades were booked for Janis Giannini, Sandra Riggs, Kim Turner, Howard Cincotta and Joe Hoxsie.

Kings Beach School

Kindergarten and First Grade: Jay Bisio, Mike Cook, Shari Decker, Ann Felte, Jan Jensen, Greg Pope and Janice Wing have finished reading "On Cherry Street".

This week another first grader was enrolled. She is Gloretta Maroon and comes from Madera.

Kathy Critchley celebrated her sixth birthday over the weekend.

Second and Third Grades: We have our "Keep California Green" posters pinned up on our bulletin board. They will be judged soon.

Rondi Thorwaldsen finished a black and pink pot holder.

Martha DeGregorio and Estelle Howell brought phonograph records to share with the class.

Bruce Draney and Cathy Chastain were absent due to illness.

Cathy Murray went to Auburn with her parents Wednesday afternoon.

Brenda Hallahan has returned from Reno where she spent the winter with her parents, Mr. and Mrs. Jack Hallahan.

Mrs. Dorothy Corbin loaned us two records about Mexico.

Third and Fourth Grades: This week we started a new unit called "Vacation Fun".

Bob Holley went fishing Sunday with his father and caught five trout. Today Ronnie Baker and Donnie Decker brought two fish to school. One is a trout and the other a minnow. Mr. Besio has arranged a tank with oxygen for our fish.

Truckee Elementary

Kindergarten: Our activity time last week was taken up by the making of Mother's Day gifts. All modeled with potter's clay, then enameled their gifts.

First Grade: Edward McCarroll came into our class this week from Grass Valley.

Jerry Neugebauer and Bobby Goldsmith are ill but we hope to have them back with us soon.

John Clark, Tommy Romo, Marion and Bruce Ayala, Diane Patterson were among those having 100 per cent in arithmetic.

Diane Patterson and Kathie Hart each taught us a new game.

Second Grade: One group dramatized a story which it had read from "Tall Tales." Patricipating were Gail Englehart, Darlene Doolittle, Donny Whiteneck, Snsie Olano and Timmy McLane. The rest of the class was an appreciative audience, as was our principal, Mr. Kishbaugh, who was a guest.

We are sorry that Karen Hedlund has been absent with chickenpox.

Third Grade: Interesting dramatizations, taken from stories in our reading books, were presented by the class this week. Committee chairmen were Mark Moore, Steve VanSickle, Larry Digesti, Ricky Ralphs ,Charles Hintz and Clydene Strickler.

We're sorry to have LeRoy Whitehead move to Reno, but are glad to welcome Heidi Euer back.

Rocks of all kinds are being brought to class for our collection. Walter Dallas is in charge of the collection.

Fourth Grade: Fourth grade officers elected for the month of May were: Linda Banyard, chairman; Marcia Leamon, co-chairman, and Wade Mosby, secretary.

In the difficult spelling assignment to date outstanding grades were achieved by L. Banyard, P. Berger, W. Curran, D. Garcia, A. Kenyon, M. Leamon, J. McGwinn, J. Roth, D. Sorani, G. Sturcke, S. Davis, D. Thomas and W. Mosby.

Several interesting experiences and special reports were related by D. Fordham, E. Thornstrand, L. Banyard, D. Sorani and J. McGwinn.

In the presence of the class D. Sorani was awarded the gold colored tie clasp and silver ring for being the outstanding salesman of Scout-O-Rama tickets.

The routine lunch program assignments were the duties of Greg York, Peggy Berger and Gary Jensen.

Fifth Grade: Mrs. Braasch, Mrs. Anderson and Mr. and Mrs. Quartly visited the school this week.

Those making perfect scores in spelling were Zeke Romo, Dianne Cardinal, Jim Randall, Kenneth Stumbaugh, Daryl Androus, Bonnie Fair, Susanna Sciutto and Leilani Braasch.

Sixth Grade: Our Class has completed its study of Brazil and South America. Daven Morey had a perfect paper on our final test covering this unit.

Janice Eaton, Joe Parkhurst, Jan ice Roth and Dennis Whiteneck are having a project in applied mathametics unde rthe direction of Mr. Kishbaugh.

NEWS NOTES FROM TAHOE

By Naomi McLane
(Tahoe City, Box 711. Ph. 246-J)

Bond Election

Do remember tomorrow is the bond election date. All of you have received a "boxholder" mail if by no other means a copy of the report from the governing board of our unified school district. It is worth looking at because it gives in detail what the needs are and how the proposed bonds would be used to meet them. For us up here it is important to note that Tahoe Lake is not being a "step-child" as often has been felt. Eight new class rooms, a multipurpose room, administration units, health and storage rooms should put us on our scholastic feet for some time to come. Probably the most important point of all to consider is what Superintendent John Corbin said when meeting with the PTA: "If we do not do these things no one is hurt—except the children."

Clean Cemetery

Harry Johanson and Hal Farr have been working long and hard on clearing winter's usual damage from the cemetery. Also someone, and we suspect one if not both of the above named gentlemen, has put bright red trash containers on the commons. These should be used, of course. I have heard that behind the iron curtain there is never so much as a gum paper to be found on the streets. This may be because there is no gum there, but is also seems that if we are to strew litter we are also free to pick it up.

Magic Acts

W. Dixon Alstrand, doctor of deception, gave a wonderful program of magic for the members of Rotary and their ladies and children the other night. Children were right at his feet and almost under his arms but the close quarters did not interfer with his marvelous rabbits from nowhere nor his delightful patter. He reported to Denis Sach, program chairman for the special family night, that the children behaved very well. Boy Scouts were guests of Rotary as well as the children and the "adoption" of different children by different members caused much laughter. Bill Conners and Bill Bechdolt were especially generous. Monday evening many members of the club attended the convention of District 164 held at Bijou. The men stayed overnight to attend the closing breakfast on Tuesday morning. Some 700 delegates from the district attended the convention.

To Visit Barracks

Florence B. Vernon is on an earlier than planned furlough from Hamilton Field Air Base. She is here for six days and will return to the base tomorrow with her mother, Mrs. C. W. Vernon. Mrs. Vernon will spend a week in the barracks an dis looking forward to this taste of army life. They will take their meals in the N.C.O. club which Mrs. Vernon says is almost on a par with Crystal Bay Club.

Family Moves

Ralph and Doris Harper and little daughter, Marcia, who is four and a half, have moved to Grove street just above the school. Harper is an equipment operator for the division of highways and has come from Donner as a permanent transfer.

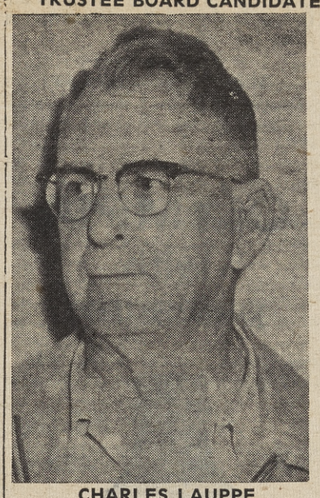
Move to Homewood

Oakley Hall and his wife, Barbara, have moved to Homewood where they will stay until their new home in Squaw Valley is completed. They have three children, Oakley, III, called Tad, who is 7, 5 year old Sandy and two year old Tracy. To clear the record, Tracy and Sandy are girls.

New Hose

The firemen report a new hose on the department's truck.

PLACER JUNIOR COLLEGE TRUSTEE BOARD CANDIDATE



CHARLES LAUPPE

Charles W. Lauppe is a long-time resident of Placer County. He has served as a member of the board of tructees of the Roseville High School. He has served for many years as a member of the Board of Directors, Placer County Fair. He is manager of the Marysville Tractor Co. in Roseville. He is chairman of the Placer County Committee for Youth Services, a group working to combat juvenile delinquency.

In 1954 he was selected as outstanding man of the year by the Roseville Area Chamber of Commerce and is a past president of the Roseville Rotary Club.

To Sell Home

Mr. and Mrs. Frank White, grand children of the late H. C. Bradbury who died last winter, are here to arrange things for the sale of their long-time summer home in Tahoe Park. Over the weekend, Harry Bradbury came up to help out and could not arouse anyone within the house at that late hour. His knocks and low calls did awaken their neighbor, Max Bretzfelder, who took the prodigal in. Even telephoning did no good so the young man spent the remainder of the night on the Bretzfelder davenport. In the morning much laughter, of course.

Share Birthdates

Jack and Betty Starratt's two little girls almost share a birthdate so they always celebrate on the day in between. Ann, six, and Sally, five, were hostesses Saturday to seven little friends, Tabor Griswold, Denise Henrikson, Heidi Henrikson, Barbara Nielsen, Denise Boyle, Ruth Ann Dunn and Kathy Stowe, Dorothy Pomin and Shirley Stark were unable to attend. Patsy Cooke, who is in the sixth grade, helped Betty entertain the younger girls.

Birthday Party

The last days of chickenpox accompanied Danelle Pomin's 11th birthdate but she was able to celebrate on Saturday with a party for her friends. Janis Giannini, Kim Turner, Erica McLane, Karla Kiser, Jayne Shontz, Jeanne Spitsen, Mary Anne Spitsen and Bro Shontz attended and left early to attend the Little League baseball practice. Each guest cooked her own hot dogs and roasted marshmallows over the fire in the yard and all trooped into the house for cake and ice cream.

TAHOE WEATHER

TAHOE CITY — Cool, damp weather has predominated at Tahoe during the past week, with the high temperature 52 and the low 31. Scattered showers have resulted in nearly a quarter of an inch of precipitation. With all gates closed, the level of Tahoe Monday was 6228.38 feet.

The Latter Day Saints Sunday School personnel announced that all who are interested are welcome to join in the services which are held each Sunday at 11:15 a.m. in the Community Building at Tahoe City.

Thunder at Tahoe

Thunder is growling close and the lake is an angry grey. If it weren't too cold for early summer, holidayers they would probably love these sombre moods of our beautiful lake.

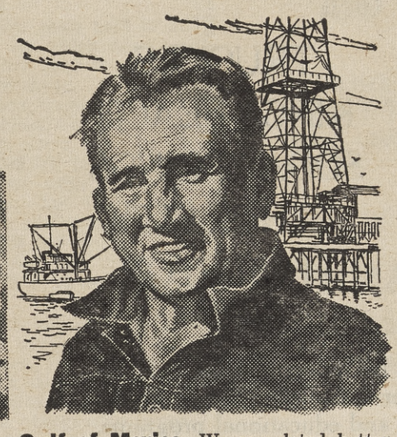
How Standard put $4,282,372 to work every day last year

...and what this meant to people in the Western Hemisphere

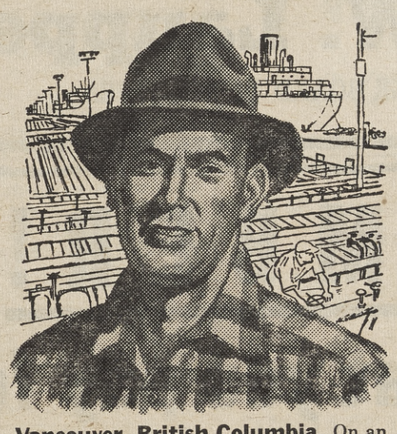
Port of Spain, Trinidad Exploration for possible new sources of oil covered millions of acres in the U.S., Central and South America, Canada, Alaska and the Bahama Islands. Seeking oil for your future use is one of our biggest expenditures . . . $324,789 on an average day. Again last year we found more new oil than our wells pumped from the ground.



Gulf of Mexico We completed better than two new wells a day . . . 101 of them off the Texas and Louisiana coasts where drilling costs up to six times as much as on land. An average day's bill for drilling came to $431,516. This huge expenditure was necessary because a well may cost from $125,000 to over $1,000,000 and one out of every six wells drilled was dry.

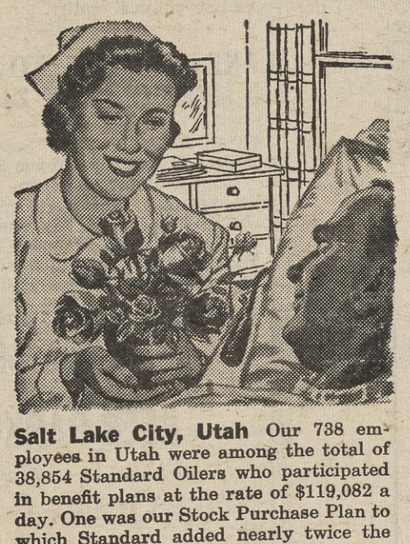
Perth Amboy, New Jersey Standard and its operating companies from New Jersey to California, from Alaska to Venezuela hired 2,485 new employees last year. Our working family grew to a new high of 38,854. The wages and salaries they earned added to the economic health of communities in 46 of the 48 states and in many other nations of the Western Hemisphere.

U. S. A. Our Federal, State and other taxes amounted to $325,424 a day . . . enough to buy a helicopter for rescue work, or pay for complete training of three jet pilots every day. In addition to paying these direct taxes, in 1956 Standard collected for and passed on to Municipal, Provincial, State and Federal agencies $193,460,383 as sales and gasoline taxes.



Vancouver, British Columbia On an average day we spent $517,446 to keep equipment in repair and up to date . . . extending a wharf at Vancouver, adding to a refinery in El Paso, Texas or a pipe line to Boise, Idaho. This work provided employment for thousands of construction and maintenance workers as well as for the employees of firms supplying equipment.

El Paso, Texas Purchases of crude oil took $949,853 a day in areas such as El Paso, Texas and Bakersfield, California. Even though our own Western Hemisphere production was at a new high, we bought oil from many small and medium sized producers. To these people and their employees Standard was a good customer and an important source of income.



Salt Lake City, Utah Our 738 employees in Utah were among the total of 38,854 Standard Oilers who participated in benefit plans at the rate of $119,082 a day. One was our Stock Purchase Plan to which Standard added nearly twice the amount an employee deposited. Some other plans included sickness benefits, retirement pay and Company-paid life insurance.

Bajo Grande, Venezuela Increasing refinery output and improving the quality of our products are never-ending jobs. Last year one of our operating companies completed a new asphalt refinery in Venezuela and plans were announced for a future refinery near Everett, Washington. New equipment for our manufacturing plants called for investing $107,741 a day.

Berkeley, California Although 43.5% of Standard's owners live in the West, Alaska and Hawaii, you'll find them almost everywhere. Stockholders include colleges, churches and banks, but most of them are individuals. Of every dollar we took in, 6-6/10 cents or $285,028 a day was distributed among Standard's 137,381 stockholders who own the Company.

WHAT HAPPENED TO THE $1,567,348,030 STANDARD TOOK IN LAST YEAR can best be told in terms of people . . . many people in many lands. For example, Standard was a customer of more than 10,000 Western firms last year. One major item such as a refinery unit required the services of people in scores of other industries.

Moreover, many of the 1250 products we made from petroleum were raw materials for other manufacturers . . . from paints to cosmetics, from detergents to synthetic fabrics. Thus you'd never be able to count the people who benefited directly or indirectly from the $4,282,372 Standard put to work every day last year.

Through affiliated companies operating in the Eastern Hemisphere, Standard helped carry on expansion and development programs that provided better living for people in Europe, Africa, the Middle East and the Far East. For complete, interesting details write for a copy of our Annual Report: Standard Oil Company of California, Room 2153, 225 Bush Street, San Francisco 20, California.

The Ben Callenders of Homewood, on May 8th observed their 20th wedding anniversary. They celebrated the occasion by quaffing some 35-year-old brandy they brought home with them from St. Thomas Island, in the Virgin Islands. Ben this year also observes his 50th year at Lake Tahoe, having arrived originally in 1907.

Mrs. Alvina Cromwell has taken a house in Pineland for the summer and is readying the popular Viking Village for the summer season.

* * *

Mrs. Dotti Caulkett of the Highlands is now associated with A. J. Ketman, local realtor, whose office is located at Agate Bay.

* * *

Mrs. Jake Stuart underwent minor surgery in the Kings Beach office of her physician, Dr. Allen Sklar, on Saturday and is recuperating satisfactorily at her home in Lake Forest. Their son, Jay, who is a pre-pharmacy student at Sierra Junior College in Auburn, spent the weekend at home. Their son, Ned, who also attends the same college, is studying engineering. Both boys will be home again next weekend to accompany their dad on an opening day fishing expedition.

Had a wonderful Mother's Day. Son Jim Baker drove me over Mt. Rose Highway to Reno where we had dinner at the home of daughter Marie and family. Also visited at the ranch home of the Lyman Ranfs of Spanish Springs. Only unpleasant part of the day was being halted on the Mt. Rose Highway by the patrol while a wrecker pulled a demolished new car up from the steep bank where it had plunged. Didn't learn if the occupants were injured, but from the looks of the car they should have been.

Mrs. Fern Schlueter was brought home from Tahoe Forest Hospital on Wednesday evening last by Dr. Monica Briner. She is recuperating at her home in Tahoe Park and latest reports on Saturday indicate she is much improved.

* * *

Mrs. Violet Pomin held a weiner roast and party at her home on Saturday for her daughter, Danelle, whose eleventh birthday was on May 9th. Youngsters who attended played games and roasted marshmellows and weiners. Guests were Kim Turner, Jayne and Bro Shontz, Erica McLane, Jeannie and Mary Ann Spitsen, Karla Kayser and Dorothy Pomin.

PLACER SUPERVISORS TO STUDY PORT PLAN

AUBURN—A meeting with Lake Tahoe residents promoting the formation of an airport district at the lake has been requested by the board of supervisors.

The board request followed receipt of a petition signed by 15 Lake Tahoe residents asking the board to adopt a resolution of intention to form an airport district.

The petition suggested the district boundaries be the same as those of the Tahoe-Truckee Unified School District.

The supervisors asked for the meeting so proponents may explain their plan.

William Mason and Ivan Sperback informed the committee, headed by C. Edmunds, their company is in a position to finance the construction of the proposed port, providing the formation of the district is completed to provide a required political entity.

LAKE CHAMBER TO MEET ON MAY 24TH

KINGS BEACH—Fred Schultz, president of the Lake Tahoe Sierra Chamber of Commerce has called a meeting of the membership to be held at Crystal Bay Club at a luncheon May 24 at noon.

The members will be asked to approve revisions in the organization's by-laws which will permit participation in the Nevada-California Lake Tahoe Association fund for advertising.

DRIVER HURT WHEN CAR LEAVES ROAD

John Joseph Jalufka, 44, Lincoln Oil Company representative, Tuesday night suffered serious injuries when the car in which he was riding alone got out of control on a curve just east of Rainbow Tavern and went end over end through the rocks.

The victim was taken to the Tahoe Forest Hospital where his condition was pronounced good. He will be cited for speeding and not having his vehicle under control, Sgt. Frank Snyder of the highway patrol declared.

The vehicle skidded nearly 600 feet before going off the highway.

AIRLINE OFFICIAL HERE TO MAKE STUDY

William Mason of the California Eastren Airlines of Pasadena was here this week conferring with C. Edmunds and other members of the North Tahoe-Truckee Airport Planning Committee relative to development of the local field.

Mason's concern has offered to finance the construction and operation of the airport in Martis Valley after the organization of the legal district now pending before the boards of supervisors of Placer and Nevada Counties.

The 702 members of the Rodeo Cowboys Association who live in California include many world championns.

The minimum wage paid to all skilled labor, for which rates are not shown above shall be not less than $2.325 per hour.

The minimum wage paid to all intermediate labor, for which rates are not shown above, shall be not less than $2.325 per hour.

The minimum wage paid to all unskilled labor, for which rates are not shown above, shall be not less than $2.325 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workman employed on the project.

In the event there is a difference between the minimum wage rates as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.

Plans may be seen, and forms of proposal, bond, contract, and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

Great Books Club Will Hold Meeting May 22

Would St. Augustine of the 4th century AD have been a Protestant heretic had he lived 1200 years later? It is said that his writings and teaching greatly influenced Martin Luther when he made his break with the Roman church.

His Confessions, Books I-VIII will be discussed at the May 22 meeting of the Great Books Discussion group. Geraldine Bean and Roy Baker will guide the discussion at 8 p.m. in the high school library, Truckee.

LOCAL MAN IS HELD AFTER CAR CRASH

Daniel Joseph Hesse, 55, is at liberty on $1000 bail charged with violating sections 481 and 501 (felony hit and run and driving while intoxicated) as a result of an accident on River street Saturday evening.

Hesse and his companion, Stella Tinker, were taken into custody by State Patrolmen Bud Meixner and H. D. Worsham after the former's car collided with a new jeep, owned by Kenneth Wayne Gordon, Truckee, injuring Robert Tonini, 21, Truckee, who was just stepping into the jeep.

The impact knocked the jeep into a car owned by Babette Hauesen. Hesse did not stop and was apprehended later. Mrs. Tinker was charged with violating the county sobriety ordinance.

Tonini was taken to the Tahoe Forest Hospital for treatment to an injured elbow.

Oil Company Visitor—

For the who dunnit fans: Dead Drunk by George Bagby; The Darkening Door by B. S. Ballinger; Catch a Tiger by Owen Cameron.

Science Fiction: The Demolished Man by Alfred Bester; The Currents of Space by Isaac Asimoy; The Big Ball of Wax by Shepherd Mead.

ASSESSORS HERE TO AID LOCAL OWNERS

County Assessor Charlie Kitts and Deputies Clifford Dodge and Leonard Oliphant are here this week at the office of the justice court to assist local property owners in answering any questions pertaining to their property assessments. The three will leave at the close of business Friday.

Kitts said that veterans may sign for their exemptions during this week by calling at the office.

The assessor, who is making his first visit to Truckee since his appointment last summer, said he will ask the board of supervisors for sufficient additional funds to provide for establishing a deputy in this area to keep pace with the fact developing area. He cites instances where new dwellings have been erected and occupied for months and which have never appeared on the assessment rolls of the county. These inequities can be corrected only by having a closer contact with the communities, he declared.

Hospital Patient—

Mrs. Robert Edwards is a Reno hospital patient, her friends wishing for her improved health.

To Study At Mills—

Mr. and Mrs. Walter Haug of Sugar Bowl will leave this month for Utah, returning with their daughter, Miss Ann Haug who graduated cum laude. She will attend Mills College this fall having been awarded a scholarship.

Fox In Hospital

Frank Fox, superintendent for the division of highways in this district, underwent an emergency appendectomy Tuesday night at Tahoe Forest Hospital. Mrs. Fox said Wednesday that her husband has improved.

School Election

Continued from Page 1

adopted to meet the expected 20 percent enrollment average during the next three years.

Teachers will be harder to secure under unfavorable conditions for teaching.

The educational process will be slowed down. The education of the youngsters of this area will definitely have to be curtailed.

Students will be at school four hours per day and be under parent and community supervision the remainder of the day. If the parents are working the child will probably be on his own.

The increase in juvenile delinquency is corollary to double sessions.

There will be more taxes to pay, but is it really worth it? Measure it in terms of human values and dollars and cents.

If I vote Yes, then the following will take place:

There will be no need for the double sessions.

Children will be under the supervision and guidance of school authoriites during the full school day. This means under a normal schedule students are at school seven hours as compared to four under a double session system. Students in lower grades will benefit accordingly.

The education of the pupils will compare to the best offered in other districts of California.

Teachers will have rooms of their own instead of wandering from room to room in which to teach.

Education has been stressed for many years as the main reason for the greatness of this nation by the leaders of both political parties, business leaders as well as many lay people. Jeopardize our educational system and we threaten the very foundation of our democratic way of life. Can I afford this?

It will cost me more money in the form of taxes, but I feel that this is money well spent. If I have no children in school it is still a benefit to me because the products of the school are the people who make it possible for me to operate as a free citizen in free competition with others.

It will give me a feeling that I have helped the children in this area receive an education comparable to that received in the best schools of the state.

Annual Meeting

This Friday, May 17th, the Rev. Douglas Evans, district superintendent, will preside over the annual meeting of the Fourth Quarterly conference. At this meeting reports on foreign missions, education, membership and evangelism, finance, as well as a report from the pastor, will be heard. All members and constituents are urged to attend. There wil lbe no pot luck supper this year as this would lengthen the meeting to confilct with the music festival at the high school later in the evening.

Sunday Worship

This Sunday, Rev. Osman and Rev. Earl Langguth of Kings Beach will exchange pulpits, with Rev. Langguth at Truckee and Rev. Osman at Kings Beach.

Tarzan

by EDGAR RICE BURROUGHS

DISASTER THREATENED THE PLANTATION WHEN A GOMEZ CONFEDERATE FIRED THE MAIN HOUSE. ALARMED, KEVIN RACED TO SAVE RITA!

IN AN EFFORT TO CHECK THE ROARING FLAMES, TARZAN SPED TO THE PUMP HOUSE AND REELED OUT A LARGE HOSE--

JUST AS KEVIN DOYLE, COUGHING AND SPUTTERING, SAFELY EMERGED WITH RITA IN HIS ARMS!

RICK VAN BUREN JOHN CELARDO

THE HOSE WRITHED LIKE A SNAKE, BUT TARZAN STEADILY GUIDED THE STREAM INTO THE BUILDING.

SOON THE FIRE WAS EXTINGUISHED. YET DANGER STILL THREATENED. GOMEZ'S HENCHMEN HAD REGROUPED TO ATTACK AGAIN!

5-19-1367

BUT THE APE-MAN WAS READY. HE PIVOTED DEFTLY AND AIMED THE FULL BLAST OF GUSHING WATER AT THE TERRIFIED MOB!
